

May 5, 2020

To all our Community Action Staff:

Hello all,

I hope everyone is staying safe!

Great news to share!! The agency has been approved for the PPP loan. This will be a wonderful benefit for the agency to have. Previous guidelines for employees continue along with pay and benefits remaining paid at this time.

The agency continues to follow Government and local Health Department guidelines and regulations as they are handed down and create plans accordingly. The Directors team continues to brainstorm how the agency and programs would "un-pause or phase in".

On May 14, 2020 Foodlink will again utilize Community Action of Orleans and Genesee to distribute 300 food boxes from 9:30-11:30 from our Main Street Store parking lot.

As always the Directors team and myself appreciate all that the staff are doing, whether on site, from home, with families or clients. Thank you all very much!

Please remember to continue to check the agency website and Facebook pages for updates and important information.

Kind regards,

Ed Fancher, Executive Director
